

PARANORMAL ACTIVITY

ON DVD AND BLU-RAY MARCH 22ND

PARANORMAL ACTIVITY DRINKING GAME

There are two ways to get through this film without being scared out of your wits. First: watch it at double speed, on a small black and white portable television, in your kitchen, at lunchtime, while reheating some soup, with the Benny Hill theme tune playing in the background. But this spoils the atmosphere a bit. Second option: stock up on drinks, invite a load of friends over, and share the fear. It's the Paranormal Activity Drinking Game!

REQUIREMENTS:

1 x DVD or Blu-ray of Paranormal Activity, cans, bottles and salted snacks.

INSTRUCTIONS:

Whenever Katie complains about the camera: Shout "Shut up, Katie!" and have a drink.

Whenever the lights in the house are turned off: Say "Ooooooooooh"... and have a drink.
